 - Calls to the Union
- **Paperwork Time**
 - When will we be given time to complete CCS forms?
 - Is there paperwork time (for example one day per year) in our contract?
 - Is there a way to make IEP writing equitable between the Gifted Center and PSE? They are ending classes mid-May to work on IEP's.
- **Gen Ed Intervention**
 - Is there anything in the contract that Special Education teachers do not have to teach a General Education Intervention with no Special Education Students?
- **Return to School**
 - Are there plans for Conroy and Pioneer to return to school early?
 - With the closing and moving of schools, is there a plan for Regional Rooms and where they will go? Do the teachers move with them? What happens to Learning Support Teachers whose schools are closing?
 - What is the process for RR's with additional data while we are still remote until April?

- What is the process for RR's with additional data?
Should students be getting tested every 3 years, or every other RR gets additional data?
- **Use of P-Cards – Regional Rooms**
 - Teachers are being asked to provide motivators for the students to use with the level system. If students are motivated by food and snacks, why can't the p-card be used for those items?
- **Revisit: Therapeutic Notes**
 - Are they still required, and what is their purpose?
- **Any Questions?**
 - Please send to Brittany in advance, so Mindy and Ann have time to review and come with answers for us.
