

PSE Grassroots Minutes

May 1, 2024

- **Updates**

- These minutes are fluid and are accurate as of this moment in time. Things can change in an instant.
- Meeting minutes will be submitted to the PSE Grassroots website <https://pft400.com/grassroots/special-education-grassroots-pse/>
- These minutes have been approved to post by PSE.

- **Coverages**

- Previously, we discussed that special education teachers have been pulled from students to cover classes in emergencies. However, it is starting to seem more like a convenience, as teachers are reporting being pulled multiple times per week and students are missing services. At what point do we need to let families know they are missing services due to coverages? Since we are following a directive from a supervisor, can we be held accountable for missing services? Is there a way to reinforce with principals to only use PSE in true emergency situations?

- Patti has addressed this with leadership teams, but it will vary from school to school. If you are concerned with students missing their special education services, talk to your Program Officer.

- **CCS 2.0**

- What is the plan for payment for Out of District paperwork and IDM's?
 - The plan is the same as last year – only being paid for meetings that were held and completing paperwork (not phone calls to the list).

- If you did not apply to work CCS, but are required to complete tasks for CCS, can there be compensation?
 - This depends on the task. Talk to your Program Officer or Principal
- What opportunities will be available for PPS staff on the list of CCS options that were sent out?
 - There were positions posted for the reading and math clinic. There may be additional postings to assist students at various camps.
- **Next Year**
 - Meeting minutes will be submitted to be posted to the PFT Grassroots website shortly after the meeting. Dan Evans, PFT Communications Director, will post on the PFT website. Brittany will also e-mail out with the call for agenda items e-mail.
 - Meeting day and time will be forthcoming – meetings will take place via Zoom.

Looking ahead to Next Year:
